

I N D U S

AT PARK REGIS BIRMINGHAM

## INSPIRED BY A LOVE OF INDIA

**A little-known fact is that the name 'India' originated from the name of the Indus River that ran through the Asian sub-continent.**

Our chefs have taken inspiration from their native homeland and been inspired to elevate their favourite dishes. Lovingly put together with freshly ground spices, great produce and authentic cooking techniques, we have evolved and adapted the best of Indian cuisine and made it truly special.

We offer a menu flowing with traditional dishes that explores pan-Asian flavours of this majestic sub-continent, which will take you on a culinary journey across northern India, exploring the richness of tastes, contrasts and textures of the region that has been synonymous with centuries of tradition.

The team, led by Head Chef Manish Patel brings his experience of working in five star hotels across India to create a menu offering a mouth-watering choice of vegetarian and non-vegetarian dishes on its extensive menu.

Supported by his skilled tandoor chef, Manish uses his special arsenal of family spices and years of traditions handed down from generations to create a special bespoke menu designed to arouse the more sophisticated palate.

Chef's Signature Dishes will include Indus Haddi Wala Ghost, mutton on the bone slowly cooked in a rich almond, onion and aromatic spice and a delicately flavoured Goan Machhi, spicy goan fish curry simmered in coconut milk and toddy vinegar.

**We welcome you to share our passion for Indus and enjoy an unparalleled dining journey.**
